SEAFIX, INC. Press Release

Puerto Rico, Saipan, Commonwealth of the Northern Mariana Islands.

SEAFIX, INC. (SEAFIX) is pleased to announce the successful award for an **Agreement for Boat Repair (ABR)** by Military Sealift Command/Ship Support Unit (MSC/SSU) Guam, ABR Number N0003-13-H-001, per DFARS Subpart 217.71, NAVSEAINST 4280.2 and FISCYINST 4280.2.

The ABR award by MSC/SSU highlights yet another major SEAFIX milestone and accomplishment by "TEAM SEAFIX", rewarding years of renewed capabilities and continued improvement of SEAFIX's Quality Management System as the only American Bureau of Shipping (ABS) ISO 9001:2008 certified ship repair and industrial assistance company on Saipan, CNMI.

For nearly two decades, SEAFIX, INC. has firmly established itself as the premier ship repair and industrial assistance company in the CNMI, with a proven track record and core competency in steel fabrication, mechanical repairs and industrial painting / corrosion control onboard Commercial, Government and U.S. Navy Vessels in Saipan.

SEAFIX, INC. is an affiliate company of the AMBYTH Group of companies firmly committed to "Service Excellence".
